MEMORANDUM FOR: Legislative Counsel
SUBJECT: The Proxmire Briefing

One of my colleagues [redacted] the Assistant NIO for Strategic Programs) suggested that the DCI's Proxmire Briefing might be of interest to other senior members of the Intelligence Community. This point was raised with Mr. Colby who thought it a good idea, subject to your concurrence. Attached is the briefing, the transmittal note my colleagues propose that I sign and their list of suggested addressees. Would you glance over this material and let me know if proceeding down this road would cause you any problems.
